THE CONFERENCE

The 14th International Conference organized by IIEM College of engineering in collaboration with
The National Institute of Textile and Fashion - Bangalore, National Textile University - University of Technology and
Uttar Pradesh Polytechnic Institute - New Delhi, Government of India, is being held at IIEM College of
Engineering, Tumkur, Karnataka, from 11th to 13th August 2022. The conference is dedicated to
promoting the exchange of knowledge and ideas in the field of textile technology.

DATA SHARING/OPEN ACCESS POLICY

By participating in the conference, all attendees agree to share their research and findings
through open access publications. The conference proceedings will be published online,
free of charge, to ensure accessibility and dissemination of knowledge.

THE ROLE OF TEXTILE TECHNOLOGY

Textile technology plays a crucial role in the global economy, contributing to
sustainable development and social well-being. It is essential for the growth
and prosperity of industries such as fashion, fasteners, and home furnishings.

DEPARTMENT OF TEXTILE TECHNOLOGY

The Department of Textile Technology at IIEM College of engineering focuses on
innovative solutions in the field of textile technology. The department offers undergraduate
and postgraduate programs in textiles and fashion design, preparing students for
successful careers in the textile industry.
