## NATIONAL SERVICE SCHEME (NSS)

Extension activities are encouraged to be taken up by the students in order to fulfil the aspirations of Vision and mission statements of the institution. Holistic development of the individual is the aim with which the students are encouraged for participation in extension activities through agencies such as NSS, clubs and societies.

The institution has an active NSS wing which takes up projects like keeping the college clean and green, doing community service by conducting awareness drives through street cause to educate people on literacy and cleanliness, organizing blood donation camps and alike.

The students feel a sense of responsibility and believe that they need to give back to society and the environment what they have taken. Our NSS Unit student volunteers take up social service activities such as special camps in adopted villages, service to orphanages, tree plantation, and flood relief camps.

All these programs develop in the students a sense of responsibility, accountability, integrity and human values towards achieving the vision and mission of the institution.

The students and faculty participated actively in the relief camp for the Chennai floods. Our students collected relief material from the neighbourhood community.

## NATIONAL CADET CORPS (NCC)

The 'Aims' of the NCC laid out in 1988 have stood the test of time and continue to meet the requirements expected of it in the current socio-economic scenario of the country. The NCC aims at developing character, comradeship, discipline, a secular outlook, the spirit of adventure and ideals of selfless service amongst young citizens. Further, it aims at creating a pool of organized, trained and motivated youth with leadership qualities in all walks of life, who will serve the Nation regardless of which career they choose. Needless to say, the NCC also provides an environment conducive to motivating young Indians to join the armed forces.
